**Season's Greetings!**  
"The iron horse has undergone many changes since the Rock Island celebrated its first Christmas 105 years ago. But there's one thing we will never change—the sincere desire that you enjoy a memorable Holiday Season followed by a year of rich fulfillment."  
Just like the Christmas sentiments from the Rock Island Railroad sixty three years ago, the Rocky Mountain Railroad Heritage Society would like to wish you the same. Warmest thoughts and best wishes for a joyful Christmas Season!  
RMRHS Christmas cards (pictured) are 10 for \$10 plus S&H. Call 303-963-9329.

**President's Letter**  
Well, we are at the end of the year, and it has been a very interesting one for sure. We have moved forward this year, and a lot of people need to be recognized for their great contribution to the society.  
We have had a number of persons who have gone above and beyond in their endeavors. John Emmot, Greg Roberts, Eian Greene, Doug Cohn, Steve Wadle, Bruce Yelen, Cheryl Adanson and her great daughter Kristin, Elizabeth Maline and Mike her husband, Jan Moore, George Hollowell, Linda and Leonard Walmsley, Larry Troesh and the great kids from school in Calhan. All contributed significantly to advancing our projects forward.  
We had a good year in restoring the wooden caboose as George Hollowell rebuilt the missing stair. John and Greg finally hung the replacement door on the caboose. John also has started working on replacing the window frames and glass in the caboose.  
Eian has wired part of the depot, hung the outside lights, and helped in so many other ways. Bruce has filmed and edited our PSA which we will air after Christmas. Cheryl has been a huge help in putting the commercial together, as has her daughter.  
We have benefited from donations provided by so many great individuals and groups. The Rock Island caboose 17085 from Tom Mars, the Rock Island speeder funding from great friends of ours. Donations and grants from: Denver Garden Railway Society, NRHS, Calhan School District, and many individuals who donated lesser amounts at the train show/meets. We deeply appreciate all donations.  
Finally I wish to thank Jamie Foster for his great service to the society. Jamie has helped us in putting together the web site, and laying out the newsletter for the last few years. He is retiring from all the different groups and societies, except ours! Thank you Jamie for the great job.  
Let's pray 2022 is a great and prosperous year.  
Merry Christmas, Happy Chanukah, and have a prosperous and Happy New Year.  
Jim
